

INVITATION

Third Christmas tournament, organized by Basketball Team Wevelgem (Belgium)

Basketball team Liefmans Power Wevelgem (Belgian second division team, located in the vicinity of Courtrai) organizes on december 27th and 28th 2008 their third youth tournament. On december 27th the boys U-18 play their tournament (year of birth 1991 or later) and on december 28th we invite the U-16 to play their tournament (year of birth 1993 or later).

We're aiming at having on each tournament day 8 to 12 high quality teams present and we are striving towards high quality, rather than quantity. For this reasons only a limited number of high level teams is being contacted, in order to grant high standards. Invitations have been forwarded to teams in Belgium and all the neighboring countries. During the tournament, each team will play 3 or 4 (shortened) games, on a high quality courts.

The participation fee has been determined at 150 EUROS. This fee includes 15 hot meals (last year: pasta buffet), which were highly appreciated during the first editions of the tournament.

We would highly appreciate if you would be interested in participating in our tournament(s). In case of participation and for allowing us to organize this tournament under the best possible conditions, may we ask you to send us the attached document before November 15th to the address below (if possible by e-mail):
