The screenshot shows the top navigation bar with the 'EX3' logo and 'play' button. Below the navigation bar, there are two main sections: 'Events' and 'Players'. The 'Events' section encourages users to start their way to the top by playing in local events. The 'Players' section encourages users to create their own profile to be visible to the 3x3 family around the world. On the right side, there is a login section with the heading 'Log in to play.fiba3x3.com!'. It includes fields for 'Username or email' (with the example 'user@example.com') and 'Password'. Below these fields is a 'Login' button. There is also a link for 'Forgot your password?'. At the bottom of the login section, there is a section for users who do not have a profile yet, with the heading 'Don't have a FIBA 3x3 profile yet?' and a 'Sign up!' button highlighted with a red circle.

2. Geben Sie das Geburtsdatum sowie den Geburtsort Ihres Kindes ein & erstellen Sie einen Nutzernamen.

Below that is the 'Date of birth\*' section, which includes a 'Check birthday' warning icon and three dropdown menus for 'Day' (16), 'Month' (April), and 'Year' (2011). A note below the date fields states: 'Note that players under 13 years old can get their FIBA 3x3 games recorded only to a nickname-based profile or to a partially shown profile (entered by the event organizer).
